The Fulton County Fair and Racing Association of Lewistown, Illinois is pleased to announce its 120th Annual Fair. The matter of entertaining and satisfying the public within the financial limits of a county fair is a most difficult problem, which takes a great deal of time and energy. The officers, directors and superintendents receive no salary or pay, but donate their time and services. Monies which the patrons pay are expended for premiums and entertainment. We strive to please, we appreciate your patronage, and we are most interested in constructive criticism.

Good luck at the Fair!

2025 Exhibition Livestock Health Requirements – County Fairs

GENERAL REQUIREMENTS

These Exhibition Health Requirements apply to all livestock present at the fair including those animals that are not entered in competitive events.

1. Exhibitors are required to familiarize themselves with all rules applicable to their exhibits. All out-of-state animals shall require an entry permit. Entry permit numbers are available online at https://entrypermit.agr.illinois.gov/Login.aspx.
2. All animals, except as noted, shall be accompanied by a Certificate of Veterinary Inspection (CVI) which shows that the animal meets all health requirements for the State of Illinois. CVIs shall be made available to Bureau of Animal Health Personnel on request. If an official electronic CVI is utilized, the exhibitor should be able to log on and show Bureau of Animal Health Personnel the completed CVI.

   CVI means a legible record made on an official form from the state of origin which has been issued, signed and dated by an accredited veterinarian and which shows the name and address of the animal's owner or exhibitor and the results of all required tests or vaccinations. A CVI shall list only one animal identification per line; shall be presented on the form on which it was initially issued; and shall not be corrected, changed or altered in any manner.
3. All animals shall be officially identified. The animal(s) official identification shall be recorded on the CVI.

   Animal identification number (AIN): A numbering system for the official identification of individual animals in the United States that provides a nationally unique identification number for each animal. The AIN consists of 15 digits, with the first 3 being the country code (840 for the United States or a unique country code for any U.S. territory that has such a code and elects to use it in place of the 840 code).
4. If animals are from tuberculosis accredited, brucellosis certified, pseudorabies qualified, or brucellosis validated herds, the identifying herd number(s) along with the date of the last herd test(s) shall appear on the CVI.
5. CVIs for out-of-state livestock shall be void thirty (30) days after issuance.
6. CVIs for Illinois-origin livestock shall be void ninety (90) days after issuance.
7. All livestock shall be subject to examination upon entry to any Illinois fair or exhibition. Any animal showing evidence of infectious, contagious or communicable diseases shall be immediately withdrawn and held in quarantine at the owner's risk and expense until properly treated and recovered, or until the animal is released to return to the owner's premise.

   Any livestock infected with scabies, mange, active lesions of ringworm, soremouth, or multiple warts which are easily visible without close examination shall not be permitted to exhibit and are subject to quarantine or removal from the fairgrounds.

   Sheep and goats with caseous lymphadenitis as evidenced by draining abscesses shall not be exhibited and are subject to immediate quarantine or removal from the fairgrounds.

   In the event of the suspicion of or diagnosis of a foreign animal disease, emerging animal disease, or other actionable disease, animals may be subject to quarantine on the fairgrounds until such time that it is determined that the disease is no longer a threat.
8. Illinois Department of Agriculture personnel or designee may collect blood, tissue, milk or urine samples from any animal being exhibited and/or raced at any Illinois fair to test for the presence of illegal drugs or banned substances. Examination techniques, such as ultrasound, may also be used at any time while the animals are on the grounds of any Illinois fair or exhibit.

   The Illinois Department of Agriculture or designee may collect urine, blood, tissue or other test samples from exhibition animals at the time of slaughter.
9. All exhibitors of animals at any Illinois fair or exhibition shall comply with the provisions of the Illinois Humane Care for Animals Act. If violations are observed, the animal(s) will be excused from exhibition and ordered removed from the grounds with all awards being forfeited.

   Any practice or deviation from normal, accepted care, including physical, medical or mechanical application, shall constitute a violation of show rules and may result in the animal(s) disqualification and removal from the fairgrounds.
10. Any Illinois cattle, bison, cervidae or goats being exhibited in non-accredited free states must be isolated from the remainder of the herd/flock upon return to Illinois and retested for tuberculosis 60-120 days post-entry.

Fulton County Fair Livestock Auction

Craig McCoy • 3:00 p.m., Thursday, July 24, 2025

1. The livestock sale will be held at 3:00 p.m. Thursday afternoon of the County Fair.
2. The starting site of the sale will be the cattle or swine show ring depending on the sale order of the species.
3. The sale order will rotate each year between sheep, hogs and cattle.
4. Intent to sell will be submitted at the same time as County Fair entries. Specific animals to sell will be identified at the County Fair weigh in. The auction is optional; exhibitors are not required to sell their market animals at the County Fair.
5. Exhibitors may sell two animals with only one of those animals being a calf.
6. Fees will be collected in the amounts of $25.00 per steer, $20.00 per pig and $10.00 per lamb. This amount will be automatically deducted from the exhibitor's sale check.
7. For a calf, pig or lamb to be eligible for the sale it must meet the following qualifications:
   – Must meet the entry qualifications and be exhibited at the Fulton County Fair.
   – Must be shown at one other county show. (Cuba, Farmington, Fairview or Canton FFA Show)
8. County Fair check in weight will be used as the animal sale weight.
9. Sale order within each species will be determined by a random drawing with special recognition given to the champions and reserve champions if sold.
10. The buyer will not take ownership of the animal. The buyer will pay the difference between the "day's set market price" and the auction price. It will be the responsibility of the seller to market the animal. If the buyer wants possession of the animal for butchering purposes, that decision is between the buyer and the 4-H member.
11. All checks will be post dated for after the State Fair Livestock Shows.
12. If you plan to sell an animal at the Abingdon Fall Festival, the Avon Fat Steer Show, the Bushnell Town and Country Show, or any other local terminal show and sale, you will not be able to sell at the Fulton County Fair Livestock Auction.
13. All disputes will be ruled on by the auction committee, and their decision will be final.
14. Exhibitor must be 8 to 18 as of Sept. 1, 2025.

Entry Form found on page 60. Must be included with fair entry.

LANDOWNERS – Contact Curtis Gorsuch to have your property auctioned or listed for sale. Curtis has sold or been involved with selling thousands of acres across Central Illinois since 1997. Gorsuch Realty & Auction is your full service agency. We help make the process as painless as possible for the seller and buyer. We can take care of getting surveys done, lining up appraisers, any inspections that are needed. If a property needs cleaned up or some excavating done we can get contractors lined up with estimates. If the property needs to be split up, we have programs to assist the seller with acreage amounts, soil types and topography. We can auction your property by Live Auction or Online Auction. The other option is to list with the Brokerage Company place in the Peoria MLS System.
