The Fulton County Fair and Racing Association of Lewistown, Illinois is pleased to announce its 116th Annual Fair. The matter of entertaining and satisfying the public within the financial limits of a county fair is a most difficult problem, which takes a great deal of time and energy. The officers, directors and superintendents receive no salary or pay, but donate their time and services. Monies which the patrons pay are expended for premiums and entertainment. We strive to please, we appreciate your patronage, and we are most interested in constructive criticism.

Due to budget problems premiums will be paid when money comes available from the State of Illinois.

What are the advantages of aerial application?

Aerial Application

- Dry Fertilizer
- Liquid Fertilizer
- Seeding
- Pollination

Pre-booking your fields will put you at the front of the pack. Aerial applicators can spray more acres in an hour than most ground rigs can cover in an entire day! **Palmer Flying Service, Inc.** is working with all area fertilizer dealers to make this year's season go smoothly for everyone. If you have not talked with your dealer about this year's fungicide program, do so! Then request **Palmer Flying Service, Inc.**, the flying service that people prefer, and have come to depend on for complete satisfaction.

Palmer Flying Service, Inc.
Manito, IL 309-545-2281

Aerial application is often the safest, fastest, most efficient, and most economical way to get the job done. Aircraft help in treating wet fields and spraying when crop canopies are too thick for ground rigs. When pests or disease threaten a crop, time is critical. An airplane can accomplish in one hour more than ground equipment can in one day. This means less fuel used, less air pollution and no soil compaction. Aircraft are necessary to low or medium-tillage farming systems, as soil erosion can be reduced by as much as 90%! Aerial application provides food and fiber for the world's growing population and protects our natural resources.

Fulton County Fair Livestock Auction

Craig McCoy • 3:00 p.m., Thursday, July 29, 2021

1. The livestock sale will be held at 3:00 p.m. Thursday afternoon of the County Fair.
2. The starting site of the sale will be the cattle or swine show ring depending on the sale order of the species.
3. The sale order will rotate each year between sheep, hogs and cattle.
4. Intent to sell will be submitted at the same time as County Fair entries. Specific animals to sell will be identified at the County Fair weigh in. The auction is optional; exhibitors are not required to sell their market animals at the County Fair.
5. Exhibitors may sell two animals with only one of those animals being a calf.
6. Fees will be collected in the amounts of \$25.00 per steer, \$20.00 per pig and \$10.00 per lamb. This amount will be automatically deducted from the exhibitor's sale check.
7. For a calf, pig or lamb to be eligible for the sale it must meet the following qualifications:
 - Must meet the entry qualifications and be exhibited at the Fulton County Fair.
 - Must be shown at one other county show. (Cuba, Farmington or Fairview)
8. County Fair check in weight will be used as the animal sale weight.
9. Sale order within each species will be determined by a random drawing with special recognition given to the champions and reserve champions if sold.
10. The buyer will not take ownership of the animal. The buyer will pay the difference between the "day's set market price" and the auction price. It will be the responsibility of the seller to market the animal. If the buyer wants possession of the animal for butchering purposes, that decision is between the buyer and the 4-H member.
11. All checks will be post dated for after the State Fair Livestock Shows.
12. If you plan to sell an animal at the Abingdon Fall Festival, the Avon Fat Steer Show, the Bushnell Town and Country Show, or any other local terminal show and sale, you will not be able to sell at the Fulton County Fair Livestock Auction.
13. All disputes will be ruled on by the auction committee, and their decision will be final.
14. Exhibitor must be 8 to 18 as of Sept. 1, 2021.

Entry Form found on page 59. Must be included with fair entry.
