2019 RULES for Farmer Classes Only

1. Contest limited to rubber-tired tractors, no tire chains, rear duals or four-wheel drives allowed.
2. All forms of nitromethane are illegal (including nitrous oxide) as a fuel or fuel additive. Legal fuels are: diesel fuel, pump gas or L.P. gas. NO WATER OR ALCOHOL is permitted.
3. Tractors may enter only once in each class, but may pull in two classes.
4. Weight includes driver. All weight must be bolted or securely fastened to tractor. Front weight cannot extend more than 24" in front of tractors; rear weights cannot interfere with hitching device or sled.
5. **Each tractor will have the stock draw bar. Hitch may not be more than 20" from top of hitch point and locked in place. Hitch point may not be closer than 18" from the center of rear wheels. Draw bar cannot be connected to the hydraulic system in any way. No excessive jerking when started or during pull. Pull is ended when all forward motion stops (no excessive hold digging is allowed). A hitch will be provided to hook from tractor to sled.**
6. All field stock tractors must be factory original models or have factory replacement parts.
7. Tire size is limited to 20.8x?
8. One turbo TO-4 or brand equivalent.
9. Stock fuel system for make and model. No exceptions!
10. No excessive stripping of weight is allowed.
11. All exhaust must be discharged upwards. No rain caps or curved pipes.
12. A tractor that does not go 75 feet will be given a second chance, except on pull offs when a tractor has only one attempt.
13. Contest will be governed by a judge or judges, with all decisions final. Judge will have the right to stop and disqualify any contestant's tractor that is being operated in an unsafe manner. Also if for any of these other reasons as follows:
 - a) driver does not remain seated
 - b) loss of weight from the point of pulling on the track (across white line) until ending pull and pulling off (past white line)
 - c) loss of any safety equipment
 - d) loss of any shielding
 - e) any time tractor or sled is outside of pulling track
 - f) if any contestant shows any unsportsmanlike conduct
 - g) if any driver has consumed any alcoholic beverage before or during the contest
 - h) all drivers must wear shirt, pants and shoes before they will be allowed to compete
14. **R.P.M.s for all tractors shall not exceed factory R.P.M.s for 6 cyl., 2500 R.P.M.s for 4 cyl. and 1500 R.P.M.s for 2 cyl. engines.**
15. **All tractors will be weighed by 5:00 p.m. that day at CPS (Elevator scale weight NOT ACCEPTED)**
16. Judges decisions are final.
